

2005 White Burgundy Is Coming!

Now is the time to reserve your special selection of the 2005 Vintage. Many wine writers have described this as the best vintage in many years.

What Are the Critics Saying?

The best 2005s are simply sublime Burgundies that will be capable of being exceptionally long-lived. Each level of the Burgundian hierarchy transcends its usual quality category and ascends to the one directly above...the best wines will easily see 50 years in fine shape. 2005 is quite simply the best top to bottom vintage that I have ever seen, period, full stop. It is a brilliant vintage with virtually nothing to dislike...but don't miss the best wines of the vintage or you will I believe live to regret it." Allen Meadows - Burghound.com

The Wine Makers

Henri Boillot

2005 Puligny-Montrachet Clos de la Mouchere 1er

Cru: "(from 60 year old vines and the vineyard is a whopping 4ha monopole within Perrières) Not surprisingly, this closely resembles the Perrières aromatically though there is just enough extra ripeness where hints of orchard fruit creep into the mix and continue onto the generous and sappy medium-full flavors that offer a beguiling texture and the same pungent minerality on the balanced and powerful finish. This really packs a punch as the intensity is almost painful and the underlying sense of tension and vibrancy is striking." (BH 93) 2011 Allen Meadows - Burghound.com

Lucien Le Moine

2005 Meursault

"Genevrieries": *"Here the nose is very fresh and spicy with a seductive nose of hazelnut and citrus, especially lemon, that leads to vibrant and notably powerful flavors that manage to bring both excellent volume but with a sense of finesse as well, all wrapped in a wonderfully intense and explosive finish. Really good juice here."* (BH 91-93)/2012+ Allen Meadows - Burghound.com

2005 Corton Blanc: *"Saouma noted that there was a small percentage of pinot blanc in the vineyard. A moderately exotic fruit nose offers good freshness and concentration if not elegance though the borderline massive flavors are powerful, dense and mouth coating and this is very much consistent with a big Corton red as there is plenty of muscle here. This is an interesting wine that should offer solid cellaring potential."* (BH 90-93)/2012+ Allen Meadows - Burghound.com
