Allen Meadows - Burghound - January 2006 - about Domaine d'Ardhuy:

“Under the now capable direction of the young *régisseur* (estate manager) Carel Voorhuis, this big old line producer of frankly mediocre wines has decided to get serious about quality. Blessed with superb holdings spread over 42 ha in 35 different *crus* spread from Puligny to Gevrey, this domaine has the wherewithal to challenge some of Burgundy's best. A new address to watch out for.”

7 Wines from Domaine d'Ardhuy will be tasted - 2004 vintage:

- Puligny Montrachet 'Le Trezin' - Villages White - Allen Meadows = 90 points
- Corton Charlemagne - Grand Cru White - Allen Meadows = 92 points
- Côte de Nuits 'Clos des Langres' - Monopole - Villages Red - A. Meadows = 88 points
- Aloxe-Corton 'Les Chaillots' - 1er Cru Red - Allen Meadows = 88 points
